The Corporation of the Town of Orangeville

By-law Number 28-2013

Being a by-law to regulate the use and erection of signs, canopies and other advertising devices within the Town of Orangeville.

Whereas Section 11 of the *Municipal Act, 2001, S.O. 2001, c.25*, as amended, (the “Act”) provides that a municipality may pass by-laws respecting matters within the spheres of jurisdiction;

And whereas Subsection 11(3)(7) of the Act provides that municipalities may pass by-laws respecting structures, including fences and signs;

And whereas Section 391 of the Act provides that despite any Act, a municipality and a local board may pass by-laws imposing fees or charges on any class of persons;

Be it therefore enacted by the Municipal Council of the Corporation of the Town of Orangeville as follows:

Part 1 – Title

- 1.1 This by-law shall be known as the “**Sign By-law**” of the Corporation of the Town of Orangeville.

Part 2 – Purpose and Intent

- 3.70 **“Zone”** means a zone established in Zoning By-law #22-90 and any amendments thereto.

Part 4 - Administration

4.1 Administration of the By-law

This by-law shall be administered by the Chief Building Official.

4.2 Permits Required

- (a) Except for the signs referred to in Section 4.8, no sign shall be erected, displayed, repaired or altered unless a sign permit is obtained therefor.
- (b) A sign that requires a building permit under the Building Code, is subject to the provisions of this By-law except for the requirement to obtain a sign permit. *(Amended by by-law 071-2019, December 16, 2019)*

4.3 Applications for Sign Permits

Every applicant for a sign permit shall complete and submit the following to the Chief Building Official:

- (a) The application, in duplicate, which shall be on forms obtained from the Municipality;
- (b) An affidavit sworn by the applicant verifying that all information contained in the application is complete and accurate;
- (c) Scaled drawings, in duplicate, setting forth the specifications and materials to be used in the construction of the sign structure and the sign. The drawings shall also set forth the colour scheme and any other information that may be requested by the Municipality to assist in the assessment of the application. All signs shall be designed and constructed in accordance with the applicable provisions of the Building Code;
- (d) Scaled drawings, in duplicate, setting forth all information regarding any building upon which the applicant is proposing to locate the sign and the sign structure as may be necessary to determine whether the structure of such building is capable of carrying the additional loads and stresses imposed thereon by the erection of the proposed sign and sign structure and whether the proposed erection complies with the applicable requirements of the Building Code;
- (e) A scaled site plan, in duplicate, setting forth the adjacent highways, buildings, structures and signs, as well as the property lines, highway

frontage, location of the proposed sign, and location of any existing or other proposed signs upon the building or property; and

- (f) The following documents, if requested by the Municipality:
 - (i) a plan of survey, in duplicate, certified by an Ontario Land Surveyor;
 - (ii) if the applicant is not the owner of the property or building on which the sign or sign structure is to be erected, a signed consent by the registered owner of the property authorizing the applicant to apply for a sign permit on behalf of the owner and to erect the proposed sign; and
 - (iii) any additional written approvals or permits required by any other governmental authority or public agency having jurisdiction over the subject matter of the application.
- (g) Where a sign is being installed on Town lands, provide proof of insurance in the amount of \$2,000,000 in liability coverage naming the municipality as an additional insured." *(Amended by by-law 071-2019, December 16, 2019).*

4.4 Issuance of Sign Permits

The Chief Building Official shall examine all applications for sign permits.

- (a) If the prescribed fee has been paid in accordance with Schedule "B" and if the permit application, drawings, and specifications are in compliance with the requirements set out in this by-law, the Building Code and all other applicable regulations, the Chief Building Official shall issue the permit to the applicant. Such permit shall be provided to the applicant together with one (1) set of the approved drawings and specifications. The second set of drawings and specifications submitted with the application will be retained by the Municipality.
- (b) Every permit shall expire if sign installation is not commenced within a period of six (6) months from the date of its issue, but before it has so expired, the permit may be renewed for up to a further six (6) months provided that the proposed work continues to comply with the provisions of this by-law, the Building Code and all other applicable regulations as revised up to the time of the proposed renewal.
- (c) If the information contained within any submitted application, drawings, specifications or plan of survey indicate to the Chief Building Official that the work proposed to be done will not comply in all respects with the provisions of this by-law, the Building Code and all other applicable

regulations, the Chief Building Official shall refuse to issue a permit therefor and no permit shall be issued until the application, drawings, specifications and the plan of survey are made to conform to the requirements of this by-law, the Building Code and all other applicable regulations.

4.5 Revocation of Sign Permits

The Chief Building Official may revoke the sign permit at any time after the issuance thereof where the sign does not conform to this by-law, the Building Code, or any other applicable regulations, where the permit was issued as a result of false or misleading information, or where the sign is not erected in accordance with the issued sign permit. Revocation will be served by delivering written notice by registered mail to the assessed owner or occupant of the property on which the sign is erected or is proposed to be erected.

4.6 Fees

- (a) Fees, which are to be paid in advance to the Municipality for the review of plans submitted with applications for sign permits and for inspection of signs, shall be in accordance with Schedule "B", which is attached hereto but does not form part of this by-law.
- (b) Charitable organizations, community associations, community centres and non-profit corporations are exempt from the sign permit fees outlined in Schedule "B".
- (c) All fees which are paid are non-refundable.

4.7 Removal of Signs

- (a) Any sign that is unsafe, erected in contravention of any of the provisions of this by-law, no longer in accordance with the Building Code, or no longer in a state of good repair, whether or not a permit has been issued therefor, or any sign for which a permit was revoked pursuant to section 4.5, shall be removed by the owner or occupant of the property on which such sign is erected upon written notice given to that effect by the Chief Building Official. Notice of removal shall be served by delivering written notice by registered mail to the assessed owner or occupant of the property on which the sign is erected or is proposed to be erected. Any sign that is subject to the notice shall be removed immediately upon receipt of the letter.
- (b) Such notice shall outline the nature of the contravention and the section of the by-law so contravened and shall further direct that the by-law be complied with within a specified time.

- (c) In the event that such sign is not removed in accordance with the notice, the Chief Building Official may cause the pulling down or removal of such sign at the expense of the owner or occupant and the expense therefor may be collected in like manner as municipal taxes.
- (d) An unsafe sign that poses a danger to persons may be pulled down or removed at the direction of the Chief Building Official. Such removal is to be at the expense of the owner or the occupant and the expense therefor may be collected in like manner as municipal taxes.
- (e) Where a sign has been removed by the Municipality pursuant to this by-law, the property owner and/or occupant is liable to a minimum charge of \$300.00 per sign or the actual cost of removing such sign, whichever is greater. Signs so removed shall be stored by the Municipality for a period of 30 days, during which time the property owner, occupant, and/or permit applicant is entitled to redeem such sign upon payment to the Municipality of a storage fee of \$10.00 per day. At the expiry of the 30 day period, the sign will be disposed of by the Municipality. Such removal is to be at the expense of the property owner, occupant, and/or permit applicant and the expense therefor may be collected in like manner as municipal taxes.

4.8 Signs for Which a Sign Permit is not Necessary

Subject to the explicit restrictions contained within this by-law, the following signs are permitted in any zone and may be erected without a sign permit:

- (a) an election sign in accordance with the Town's Election Sign By-law.
- (b) Official signs required by law or as otherwise required by the Municipality;
- (c) Signs for regulating traffic, legal notices, warnings at railway crossings, and all other signs pertaining exclusively to public safety;
- (d) In Residential Zones, real estate advertising signs having a sign area of less than 0.6m² and directional open-house signs so long as they are erected in compliance with Section 7.2 of this by-law;
- (e) Memorial or historical interest signs, plaques or tablets;
- (f) Public notification signs that are erected by the Municipality in accordance with statutory requirements for the notification of the public as set out by the Planning Act or other Provincial or Federal statute and in accordance with the policies of the Municipality;
- (g) Except in Residential Zones, one (1) non-illuminated ground sign not

exceeding 3.5m² in sign area advertising the sale, rental or lease of any building, structure or lot;

- (h) One (1) non-illuminated trespassing, safety or caution sign not exceeding 0.6m² in sign area for every 4.5m of highway frontage;
- (i) An illuminated, non-flashing, "open" window sign so long as the sign area does not exceed 25 percent of the window in which it is located or a maximum width of 1m, whichever is less, and so long as such sign is erected so that the light emitting from such sign is deflected away from any adjacent residential premises;
- (j) A non-illuminated, non-flashing, window sign so long as the sign area does not exceed 25 percent of the window in which it is located or a maximum width of 1m, whichever is less;
- (k) A residential contents sale sign which stipulates the date of the sale of household goods and which must be removed immediately after the date indicated on the sign;
- (l) One (1) temporary sign for each building contractor or home renovation operator working on a site, provided that they do not exceed 1m in height and/or 0.6m in width and that such sign is removed from the property immediately after the project is completed as determined by the Chief Building Official or 30 days from the date on which the sign was erected, whichever is less;
- (m) Sandwich board signs located on lands other than in the Heritage Sign Special Policy District;
- (n) Flags that are non-advertising or for non-profit organizations, of varying colour or that may bear the crest, name, insignia of a non-profit corporation, government agency or religious, charitable or fraternal organization;
- (o) Pole signs, subject to the provisions of Section 6.2(f); and
- (p) Strings of pennants or flags of varying colour which may or may not advertise the sale of products provided that they are not visible from any highway.

4.9 Prohibited Signs

Notwithstanding any other provisions of this by-law, no person shall erect, or cause to be erected or permit on any premises, any of the following signs:

- (a) A sign which is located so as to obstruct the view of any pedestrian or motor vehicle driver so as to cause a hazardous condition;
- (b) A sign other than a wall sign within 9.0 metres of the base of a traffic light;
- (c) A sign which is located so as to obstruct or impede any flue, air intake, fire escape, fire exit, door, window, skylight or exhaust or so as to impede free access by fire fighters to any part of the premises;
- (d) A sign which projects over any area to which pedestrians have access unless located at least 2.5m above the surface of such area;

- (f) A sign which does not comply with the provisions of the Electrical Safety Code, the Occupational Health and Safety Act, the Construction Safety Act, or any other applicable government regulations;
- (g) A sign which does not comply with the provisions of this by-law;
- (h) A sign encroaching onto a required fire route unless approved by the Municipality's Fire Chief or his/her designate;
- (i) A sign which is located on public property unless expressly permitted by this by-law;
- (j) A sign which is located on any median, traffic island or centre boulevard unless expressly permitted by this by-law;
- (k) A sign, including posters, flyers, stickers or decals, which is attached to any public utility facility or which interferes with any municipal or public utility services;
- (l) A sign which is painted on or attached to any fence, tree, tree support, stone or other natural object or noise attenuation wall;
- (m) A roof sign;
- (n) A sign which depicts violence, nudity or other sexually explicit conduct;
- (o) An off-premises/billboard sign;

- (p) Any illuminated sign that directs light that will affect neighbouring properties;
- (q) Any illuminated sign in the Residential, C5 and Institutional Zones, with the exception of illuminated “open” window signs in the C5 Zone subject to the provisions of Section 4.8(i);
- (r) Unless deemed appropriate by the Municipality, a portable temporary sign located at either the Alder Street Recreation Centre or the Tony Rose Memorial Sports Centre;
- (s) Banners, flags, balloon or spiral advertising devices, flashing sign, or any flashing or moving illumination which varies in intensity or which varies in colour and signs which have any visible moving parts or visible mechanical movement of any description;
- (t) A sandwich board sign advertising a home occupation in Residential Zones;
- (u) A ground sign in Residential Zones;
- (v) A readograph or electronic message display forming part of and being incidental to a wall sign; and
- (w) A portable temporary sign in the Heritage Sign Special Policy District, C5 Zone and Residential Zone.
- (x) Temporary signs, including bag signs and coroplast signs, with the exception of signage erected by community associations, charitable organizations, and non-profit corporations and with the exception of one temporary sign for a building contractor or home renovation operator working on site for a maximum 30 day period.
(Amended by By-law 101-2014, December 8, 2014)

4.10 Variances

- (a) Where the provisions of this by-law are proposed not to be met, an application may be made to Council for a variance of the by-law.
- (b) Applications for a variance shall clearly set out why the provisions of the by-law cannot be met, why the sign(s) is (are) necessary and shall be accompanied by the appropriate fee as set out in Schedule “B” of this by-law.
- (c) Council may, upon application for a variance from the provisions of this

by-law, authorize such minor variances. Council shall not grant such minor variances where the proposed sign(s) does (do) not comply with the Building Code.

Part 5 – General Provisions

5.1 Existing Signs

Subject only to explicit provisions contained herein, this by-law applies to any sign or sign structure that is altered and/or erected after the coming into effect of this by-law and also to any sign or sign structure that is not in compliance with the Building Code regardless of the date on which the sign or sign structure was erected.

5.2 Building Code and Governmental Regulations

Any sign which is erected shall at all times comply with this by-law, the Building Code and any applicable governmental regulations. The more restrictive provisions of the requirements shall prevail.

5.3 Liability

The provisions of this by-law shall not be construed as relieving or limiting the responsibility of any person who erects or any person who causes, permits, or allows to be erected any sign from personal injury, including injury resulting in death, or property damage resulting from such sign or from the acts or omissions of such person or his agents, employees, contractors, or subcontractors, in the erection, alteration, repair, or removal of any sign erected in accordance with this by-law. Likewise, the provisions of this by-law shall not be construed as imposing on the municipality, council, its officers, employees, or agents, any responsibility or liability whatsoever by reason of the approval of or issuance of a permit for any sign or the removal of any sign.

5.4 Indemnification

The applicant for a sign permit, together with the owner and occupant of the premises on which a sign is erected, shall be jointly and severally responsible to indemnify the Municipality, Council, its officers, employees, servants and agents, from all loss, damages, costs, expenses, claims, demands, actions, suits or other proceedings of any nature and kind arising from or as a consequence of the erection, alteration, repair or removal of such sign.

5.5 Maintenance of Signs

The owner and/or occupant of the lands and premises upon which any sign is located shall maintain or cause to be maintained such sign and sign structure in a

proper state of repair so that such sign does not become unsafe or unsightly and so that such sign is functioning in a manner as designed at all times.

5.6 Severability

If any section, clause or provision of this by-law, including anything contained in the schedules hereto, is for any reason declared by a court of competent jurisdiction to be invalid, the same shall not affect the validity of this by-law as a whole or any part thereof other than the section, clause or provision so declared to be invalid, and it is hereby declared to be the intention that all the remaining sections, clauses and provisions of this by-law shall remain in full force and effect notwithstanding that one or more provisions thereof shall have been declared to be invalid.

Part 6 – Zone-Specific Provisions

6.1 Residential and Open Space Zones

6.1.1 Except as otherwise allowed in this by-law, no person shall erect, or cause to be erected or permit a sign in a Residential or Open Space Zone save and except the following:

- (a) non-illuminated wall signs identifying the building, its occupants or the home occupation contained therein may be erected so long as the aggregate sign area does not exceed 0.2m². Any home occupation identified by such a sign must be in compliance with Zoning By-law #22-90 and any amendments thereto;

6.4 Signs in the Heritage Sign Special Policy District.

6.4.1 Purpose

The purpose of the Heritage Sign Special Policy District is to provide for the development of signage which is consistent with the 19th Century architecture which exists within downtown Orangeville. The regulations in this section attempt to allow a variety of signage types yet provide for a broad consistency with respect to style. To complement the regulations in this section, the guidelines for **signage** prepared by Heritage Orangeville provide helpful design information to assist sign permit applicants with their advertising endeavours within the Heritage Sign Special Policy District.

6.4.2 Location

The Heritage Sign Special Policy District is defined as being that shown on Schedule "A" to this by-law.

6.4.3 Special Regulations

Notwithstanding the provisions of any other section of this by-law, the following shall apply to signs in the Heritage Sign Special Policy District.

(a) Review of Applications

All applications for sign permits within the Heritage Sign Special Policy District shall require the review and comments of representatives of the Orangeville Business Improvement Area and Heritage Orangeville. Such comments shall be advisory in nature only and the Chief Building Official shall have the final determination regarding the compliance of a proposed sign with this by-law.

Applications for sign permits relating to Projecting Signs that have a sign face of 1m squared or less and use sign designed approved by Council are exempt from the requirement to circulate to Heritage Orangeville for review and comments.

(b) Heritage Appearance

The colours, fonts, shapes, materials and scale of all signs in the Heritage Sign Special Policy District shall be historically sensitive to the building and the Downtown Orangeville Heritage Conservation District and in accordance with the guidelines for signage prepared by Heritage Orangeville.

(c) Illumination

No forms of internally illuminated signs or awnings shall be permitted.

(d) Wall Signs

- (i) The cumulative sign area of wall signs shall be limited to 25 percent of the wall area of the first storey of the building. Wall signs shall be permitted to project over the highway up to a maximum of 0.3m.
- (ii) Wall signs are not permitted to obstruct significant architectural features, including but not limited to, windows, brackets, sills, decorative masonry and cornices.
