

The Corporation of the Town of Orangeville

By-law Number 2025-072

A by-law to establish the 2026 Consolidated Fees and Charges for Services provided by the Town of Orangeville and to rescind bylaw 2024-073, as amended.

Whereas pursuant to Section 391 of the Municipal Act, 2001, S.O. 2001, a municipality may pass bylaws imposing fees or charges on any class of persons for services or activities provided or done by or on behalf of it, for cosets payable by it for services or activities provided or done by or on behalf of any other municipality or local board, and for the use of its property including property under its control; and

Whereas pursuant to Section 69(1) the Planning Act, R.S.O. 1990, c. P.13, as amended, the council of a municipality may by bylaw establish a tariff of fees for the processing of applications made in respect of planning matters; and

Whereas pursuant to the Building Code Act, 01992, S.O. 1992 c 23 as amended, Council may require the payment of fees and applications for and issuance of building permits and prescribing the amounts thereof.

Be it therefore enacted by the Municipal Council of the Corporation of the Town of Orangeville as follows:

1. That the consolidated fees and charges as specified in Schedule "A" attached hereto and forming part of this bylaw, shall, on or after the 1st day of January 2026, be charged by the Corporation of the Town of Orangeville for those services or activities, or for the use of its property provided by the Corporation of the Town of Orangeville, as specified in Schedule "A" to this bylaw.
2. That the fees and charges be adjusted annually, where applicable.
3. That the fees and charges be subject to the Harmonized Sales Tax (HST), where applicable.
4. That bylaw 2024-073, as amended, be rescinded on January 1, 2026.
5. In the event of any conflict between any provisions of this bylaw and any other by-law hereto-fore passed, the provisions of this bylaw shall prevail.
6. That this bylaw comes into force the day it is passed.

Read three times and finally passed by Council this 8th day of December, 2025, subject to section 284.11 of the Municipal Act.

Handwritten signature of Lisa Post in blue ink.

Lisa Post, Mayor

Handwritten signature of Raylene Martell in blue ink.

1. **Major Official Plan Amendment:** An application that is significant in scale and scope, which may have greater impact or policy implications beyond the subject lands. Such applications may involve any of the following:
 - an application related to more than one property
 - a site specific application considered to be a large scale development/redevelopment
 - review of 4 or more technical studies/reports; or
 - significant changes to the text/policies/designations of the Official Plan.
 2. **Minor Official Plan Amendment:** An application for minor and small-scale changes to the Official Plan text and/or designations having limited impact or policy implications beyond the subject lands.
 3. **Major Zoning By-law Amendment:** An application that is significant in scale and scope, which may have impact beyond the subject lands. Such applications may involve any of the following:
 - an application related to more than one property
 - a site specific application considered to be a large scale development/redevelopment
 - a significant change in use for the subject lands;
 - review of 4 or more technical studies/reports; or
 - significant changes to development standards and/or general provisions of the By-law pertaining to the subject lands.
 4. **Minor Zoning By-law Amendment:** an application for minor and small scale amendments to the Zoning By-law on a site-specific basis, which includes:
 - review of no more than three (3) technical studies/reports;
 - a request for additional permitted use(s) within an existing building or with no significant impacts on existing development standards;
 - changes to development standards only to accommodate a minor development or lot creation; or
 - minor changes to zone standards and/or general provisions related to the subject lands.
 5. **Major Site Plan Application (SPA) Involves:**
 - the review of 3 or more technical studies;
 - large-scale and/or multi-phase developments with complex site development issues
 - a new build or significant building addition with impacts to existing site development; and/or
 - major amendments to approved site plans with significant site alterations,
 6. **Minor Site Plan Application (SPA) Involves:**
 - the review of up to 2 updated or new technical studies/reports
 - a small-scale development proposal where the size and site development issues are considered to be less complex.
 7. **Basic Site Plan Application (SPA) Involves:**
 - Changes to an existing development, where such changes may not meet the definition of "development" under Section 41 of the Planning Act. Examples include alterations to an exterior site layout, such as parking lot, site access modifications or infrastructure changes, etc.
- (a) Pre-Consultation meeting - Minor -for proposals including Minor Variances, consents for easements, lot line adjustments or to sever one (1) new lot.
- (b) Pre-Consultation meeting - Standard - for proposals involving minor SPA's, Minor ZBA's, Consents for 2 or more new lots, any other application not considered as minor or major pre-consult.
- (c) Pre-Consultation meeting - Major - for proposals involving OPA's, Major ZBA's, Subdivisions, Standard condominiums.
- (d) 100% of fee credited towards Application Fee(s) at the time of submission, provided that the submission is made within 1-year of the pre-consultation meeting/SPA pre-submission review.
