Background

The table below outlines actions to date with respect to the review of policing services for the Town.

December 10, 2018	Council passed resolution requesting Ontario Provincial Police (OPP) prepare costing proposal for the provision of policing services
January 8, 2019	Notification from OPP that request was approved
January 18, 2019	Initial meeting between OPP and Town
April 29, 2019	Presentation of Billing Model by OPP
May 13, 2019	Council passed resolution directing CAO to issue a request for proposals/quotes for consultants to analyze the cost of services outlined in the OPP Costing Proposal and the cost and services currently provided by Orangeville Police Service (OPS)
June 10, 2019	Scheduled presentation of OPP Costing Proposal at Council meeting

Analysis

The presentation date of the OPP Costing Proposal to Council has been scheduled for June 10, 2019. If the June 10 presentation proceeds as scheduled, the six-month deadline to respond to the OPP is December 10, 2019.

Staff have prepared the table below of suggested dates and actions for Council consideration and direction:

June 2019	Hire consultant
August 12, 2019 (council meeting)	OPS present 2018 Annual Report to Council and Community information and Q & A meeting with OPS
September (TBD), 2019 (special council meeting)	Community information and Q & A meeting with OPP
September 9/23, 2019	Mayor and CAO of municipality that has gone through OPP Costing and/or the transition process to answer Council questions
October 21, 2019	Consultant's report presented to Council
November 4, 2019	Staff report and recommendation to Council on policing services
December 10, 2019 (current schedule: council meeting – Dec. 2 budget meeting – Dec. 9)	Town six-month deadline to respond to OPP

Options that Council should consider when reviewing the suggested dates and actions.

1. Whether the presentation of the OPS 2018 Annual Report should include a public question and answer session and whether this should be held in July/August when OPS usually presents its Annual Report or held in September.
2. If the OPP public information question and answer session should be held as a special Council meeting with the Mayor facilitating or as a public information meeting with an outside facilitator.
3. If the OPP Public information question and answer session is not held as a Council meeting, should it be held in Council Chambers/Atrium or another location. Options may include the Opera House, Tony Rose Memorial Sports Centre Banquet Hall, or ODSS cafeteria. At this time, the availability of these locations in September is unknown.

4. Whether a Mayor and CAO from a municipality that has experienced the OPP costing and/or transition to OPP be asked to attend a Council meeting and answer questions from Council.

Financial Impact

There may be costs incurred if Council's direction is to use a facility that is not owned by the Town for the public information sessions as well as costs for a sound system and a facilitator.

Respectfully submitted
Ed Brennan, Chief Administrative Officer
