NOTES:

*** Includes HST where applicable**

1. Major Official Plan Amendment: An application that is significant in scale and scope, which may have greater impact or policy implications beyond the subject lands. Such applications may involve any of the following:

- An application related to more than one property;
- A site specific application considered to be a large scale development/redevelopment;
- Review of 4 or more technical studies/reports; or
- Significant changes to the text/policies/designations of the Official Plan.

2. Minor Official Plan Amendment: An application for minor and small-scale changes to the Official Plan text and/or designations having limited impact or policy implications beyond the subject lands.

3. Major Zoning By-law Amendment: An application that is significant in scale and scope, which may have impact beyond the subject lands. Such applications may involve any of the following:

- An application related to more than one property;
- A site specific application considered to be a large scale development/redevelopment;
- A significant change in use for the subject lands;
- Review of 4 or more technical studies/reports; or
- Significant changes to development standards and/or general provisions of the By-law pertaining to the subject lands.

4. Minor Zoning By-law Amendment: an application for minor and small scale amendments to the Zoning By-law on a site-specific basis, which includes:

- Review of no more than three (3) technical studies/reports;
- A request for additional permitted use(s) within an existing building or with no significant impacts on existing development standards;
- Changes to development standards only to accommodate a minor development or lot creation; or
- Minor changes to zone standards and/or general provisions related to the subject lands.

5. Major Site Plan Application (SPA) Involves:

- The review of 3 or more technical studies;
- Large-scale and/or multi-phase developments with complex site development issues;
- A new build or significant building addition with impacts to existing site development; and/or
- Major amendments to approved site plans with significant site alterations.

6. Minor Site Plan Application (SPA) Involves:

- The review of up to 2 updated or new technical studies/reports; and/or
- A small-scale development proposal where the size and site development issues are considered to be less complex.

7. Basic Site Plan Application (SPA) Involves:

Changes to an existing development, where such changes may not meet the definition of "development" under Section 41 of the Planning Act. Examples include alterations to an exterior site layout, such as parking lot, site access modifications or infrastructure changes, etc.

(a) Pre-Consultation meeting - Minor -for proposals including Minor Variances, consents for easements, lot line adjustments or to sever one (1) new lot.

(b) Pre-Consultation meeting - Standard - for proposals involving minor SPA's, Minor ZBA's, Consents for 2 or more new lots, any other application not considered as minor or major pre-consult.

(c) Pre-Consultation meeting - Major - for proposals involving OPA's, Major ZBA's, Subdivisions, Standard condominiums.

(d) 100% of fee credited towards Application Fee(s) at the time of submission.
