By-law 122-2001

Except as otherwise provided in the By-law.

- 1) Where this By-law provides that land may be used or a *building* or other *structure* may be erected, altered or used for a use, that use shall include any *accessory building* or *accessory use* incidental thereto, and
- 2) Any *accessory building* or other *structure*, other than a *ground-oriented amenity area*, which is not part of the main *building* shall be erected to the rear of the front line of the main *building*, and shall not occupy more than 10 percent of the *lot*, exceed 4.3 metres in *height*, nor be closer than 1.2 metres to a *side* or *rear lot line*.

By-laws 62-95; 44-2006

- 2A) Any *ground-oriented amenity area* shall be located to the rear of the front wall of the main *building*, and shall not be located closer than 1.2 metres to any *lot line*. Despite the foregoing, in the case of *semi-detached dwelling*, *row house dwelling* or other *multiple dwelling* with units separated by a *party wall*, or where the exterior side wall of a dwelling is located less than 1.2 metres from a *side lot line*, the *ground oriented amenity area* may extend up to the *party wall* or exterior side wall of the dwelling, subject to the provision of a 1.5 metre high privacy fence rising from the surface of the *ground-oriented amenity area* and extending along the entire side of the *ground-oriented amenity* that is located less than 1.2 metres from the *side lot line*.

By-laws 63-99; 10-2002

- 2B) Notwithstanding the provisions of this by-law, *accessory buildings*, *play structures*, and *playhouses*, shall be permitted in the *yard* located between the *rear lot line* and the main *building*, provided they are less than 10 square metres in area and less than 2.1 metres in *height*.

By-law 48-96

- 2C) Notwithstanding the provisions of this by-law, drop awnings, *canopies*, flag poles, garden trellises, fences, retaining walls, signs, air conditioners, heat pumps, dog houses, dog runs, composters, clothes lines, clothes hanging trees, accessible ramps, or similar *accessory uses* lawfully erected, shall be permitted in all *yards*.

By-laws 48-96; 16-2006; 2020-047

An *awning*, at full extension, or *canopy* shall be a minimum of 2.4 metres in *height*, and a minimum of 1.2 metres from the face of the *building*.

By-law 16-2006

- 3) Any *accessory building* which is a *satellite dish* shall not be located within the *side yard* of a residential property or within that portion of a residential property between the *street line* and the front wall of the main *building* on the site and extending across the full width of the site or at an elevation higher than the main *building* on the *lot* on which the *satellite dish* is situated. A *satellite dish* shall comply with the zone requirements of the zone in which such *building* is located.

5.2A Deleted. By-law 44-2006

5.3 **Non-Conforming Buildings and Structures**

Nothing in this By-law shall prevent the strengthening to a safe condition of a *building* or other *structure* or repair of minor damage or replacement of a *building* or other *structure* that is a *non-conforming use*, provided that,

- 1) Such repair or replacement does not contravene this By-law because of a change in the *height*, size, volume or use of such *building* or other *structure*, and
- 2) If the *building* is a dwelling house in a zone other than a residential zone, it complies with the requirements for an R4 Zone.

By-law 005-2015

5.4 **Corner Lot Requirements**

Notwithstanding any other provisions contained in this By-law, no *building* or other *structure* shall be erected and no shrubs or foliage shall be planted or maintained on a *corner lot* within the triangular space, defined in this by-law as a "*sight triangle*", which obstructs the view of the driver of a *vehicle* on a *street* approaching an intersection.

5.5 **Side Yards for Decks other than Ground-Oriented Amenity Areas**

The minimum interior and exterior *side yard* setback of all decks, other than *ground-oriented amenity areas*, shall be the established *side yard* as determined by the distance between the exterior side wall of the dwelling and the *side lot line*. Despite the foregoing, in the case of a *semi-detached dwelling*, *row house dwelling*, or other *multiple dwelling* with units separated by a *party wall*, or where the exterior side wall of a dwelling is located less than 1.2 metres from a *side lot line*, the deck may extend up to the *party wall* or exterior side wall of the dwelling, subject to the provision of a 1.5 metre high privacy fence rising from the surface of the deck and extending along the entire side of the deck that is located less than 1.2 metres from the *side lot line*.

By-law 63-99

5.6 Deleted. By-law 44-2006

5.7 **Dwelling Unit on Non-Residential Land or in a Non-Residential Building**

No person shall use any land or erect, alter or use any *building* or other *structure* for the purpose of a *dwelling unit* contained within a non-residential *building* on land zoned other than R1, R2, R3, R4, R5, RM1 or RM2 use except in accordance with the following provisions:

- 1) One or more *dwelling units* shall be permitted provided that each *dwelling unit*:
 - (a) has a minimum *floor area* of 42 square metres
 - (b) has a separate washroom or bathroom and kitchen facility
 - (c) has an entrance separate from that provided for any non-residential use
 - (d) has a separate parking space; and,
 - (e)
 - (i) is located on any floor, other than the *basement* or ground floor, of a *building* in a CBD, C1 or C2 zone; or
 - (ii) is located on any floor of a *mixed-use building* in a C5 zone.

By-laws 34-98; 43-99; 95-2003

5.8 **Excepted Lands, Building and Non-conforming Uses**

Nothing in this By-law shall apply to prevent

- 1) The alteration of a conforming or a lawful *non-conforming building* containing one or more *dwelling units* in a commercial zone on the date of the passing of this By-law, provided that the number of *dwelling units* is not increased and that such alteration does not contravene any of the provisions of this By-law for such use in an R4 Zone, and
- 2) The alteration of a conforming or a lawful *non-conforming building* containing one or more *dwelling units* existing on the date of the passing of this By-law having a *ground floor area* or *dwelling unit* area less than that required by this By-law, provided that such alteration does not contravene any other provision of this By-law.

5.9 **Non-Complying Buildings, Structures and Lots**

1) **Non-Complying Buildings and Structures**

Nothing in this By-law shall prohibit the enlargement, repair, replacement or renovation of existing *buildings* or *structures* which are non-complying with any regulations of this By-law, provided that the enlargement, repair, replacement or renovation does not further contravene any regulations which are not complied with or contravene any regulations which are currently met.

2) **Non-Complying Lots**

Where a *lot* has less than required *lot area* or *lot frontage*, nothing in this By-law shall prevent the enlargement, repair, replacement or renovation of existing *buildings* or *structures* provided that all other regulations of this By-law are met.

By-laws 85-96; 005-2015

5.10 **Development on Existing Undersized Lots**

Where a *lot* has been vacant since before the passing of Zoning By-law 22-90, is located within an "R" Zone or "C5" Zone and has less than required *lot area* or *lot frontage*, nothing in this By-law shall prevent the construction of a *single detached dwelling* and accessory *structures* provided that all other regulations of this By-law are complied with.

By-law 85-96

5.11 **Fences**

Fences shall be a maximum of 2.1 metres in height in *rear* and *side yards*. The height of fences erected in *rear* and *side yards* is also permitted to be increased to a maximum of 2.7 metres provided that the portion of the fence in excess of 2.1 metres is of an open nature, i.e. trellis design or lattice.

A maximum fence height of 0.9 metres shall be permitted in any *front yard*, but shall not be erected along the *street line* in any *sight triangle*.

A noise fence, or an acoustical barrier, may be permitted up to a maximum height of 3 metres based on the recommendations of a noise impact analysis prepared by an acoustical engineer.

By-laws 44-93; 32-2011

5.12 **Frontage on Street**

No person shall erect any *building* or other *structure* in any zone unless the land upon which such *building* or other *structure* is to be erected fronts upon a *street*.

5.13 **Height Exceptions**

Notwithstanding the *height* provisions, nothing in this By-law shall apply to prevent the erection of a church spire, belfry, clock tower, chimney, elevator enclosure, equipment penthouse, silo which forms part of a barn, municipal water storage facility, windmill, radio tower or antenna, radar tower or antenna, or television tower or antenna but this provision shall not include a *satellite dish*.

By-law 122-2001

5.14 **Home Occupations**

Permitted Uses

Home Occupations - Class "A"

Home Occupations - Class "A" as defined in Section 2 of this By-law shall be permitted in all dwelling types.

Home Occupations - Class "B"

Home Occupations - Class "B" as defined in Section 2 of this By-law shall be permitted only in *semi-detached* and *single detached dwellings*.

Home Occupations - Class "C"

Home Occupations - Class "C" as defined in Section 2 of this By-law shall only be permitted in *single detached dwellings*.

General Provisions

The following provisions apply to all home occupations:

- (a) The home occupation shall be secondary to the main residential use and shall not change the residential character of the dwelling.
- (b) The home occupation shall be conducted entirely within the *dwelling unit* and no *accessory buildings* are to be used.
- (c) There shall be no external storage or display of goods or materials.
- (d) Not more than 25 percent of the *floor area* of the dwelling or a maximum of 30 sq. metres, whichever is the lesser, may be used for the home occupation.

By-law 97-96

Notwithstanding the foregoing, a *bed and breakfast establishment* may exceed the foregoing *floor area* limitations but the number of guest bedrooms shall not exceed three.

By-law 102-96

- (e) There shall be no outside exposure of goods, wares or merchandise offered for rent or sale in the dwelling.
- (f) No mechanical equipment which would cause a nuisance through noise, vibration or interference with television or radio reception may be used.
- (g) A maximum of one employee who is not a resident of the dwelling may be permitted.
- (h) There shall be no external display or advertising except in accordance with all applicable laws.
- (i) All uses shall be subject to the requirements of the Ontario Building Code Act and the Fire Marshall's Act.

By-law 50-94

- (j) No more than one home occupation is permitted per *dwelling unit*.

By-law 32-2011

5.15 **Lane as a Yard**

Where the *rear lot line* of a *lot* adjoins any portion of a *lane*, one-half of the width of that portion of such *lane* may be considered part of the *lot* for the purpose of computing the area of the *lot* or the depth of any *rear yard* required under this By-law.

5.16 **Loading Spaces**

When a *building* is constructed in a CBD, C1, C2, C3 or M1 Zone or when an existing *building* in these zones is enlarged by more than 30 percent of its present *ground floor area* or 300 square metres, whichever is less, off-street *loading space(s)* shall be provided in a *side* or *rear yard* on the same *lot* in accordance with the following:

- (a) each *loading space* having minimum dimensions of 9 metres long by 3.5 metres wide;
- (b) access and egress to and from the *loading space(s)* being provided by means of driveway(s) to a *street* or *lane* having a minimum width of 6 metres;
- (c) the provision of 1 *loading space* for a total new or additional *floor area* of between 300 square metres to 2,300 square metres;
- (d) the provision of 2 *loading spaces* for a total new or additional *floor area* of between 2,300 square metres to 7,500 square metres; and,
- (e) the provision of 1 additional *loading space* for each new or additional *floor area* increment of 9,000 square metres or part thereof over 7,500 square metres.

By-law 16-2006

5.17 **Parking Area Regulations**

Parking spaces and areas are required under this By-law in accordance with the following provisions:

1) (a) **Parking Space Requirements**

The owner of every *building* or other *structure*, except in the Central Business District (CBD) Zone, erected or used for any of the uses hereinafter set forth shall provide and maintain for the sole use of the owner, occupant or other persons entering upon or making use of such *building* or other *structure*, the following parking spaces and areas. When calculating the required number of parking spaces, the numbers are rounded down to the nearest whole number.

By-law 57-2009

2) Parking Area Requirements

Parking areas shall conform with the following requirements,

- (a) the *parking area* shall be located on the same *lot* as the use it is intended to serve, except for those properties located within the Central Business District (CBD) Zone. Within the Central Business District (CBD) Zone parking may be provided in a location other than on the same *lot* that requires such spaces provided that such parking is located within 120 metres of the said *lot* and is located within the same zone but is not located on a municipal *parking lot*.

By-laws 43-99; 44-2006

- (b) each parking space shall be at least 2.7 metres by 5.5 metres and shall be provided with unobstructed access to a *street* by a driveway, *parking aisle* or *lane*.

A parallel parking space shall be 2.7 metres by 6.7 metres and shall be provided with unobstructed access to a street by a driveway, *parking aisle* or *lane*.

An angled parking space shall be 2.7 metres by 5.5 metres and shall be provided with unobstructed access to a street by a driveway, *parking aisle* or *lane*.

- (c) Notwithstanding subsection (b) hereof, any parking space required for a *home occupation*, or for *dwelling units* within a *single detached dwelling* or one half of a *semi-detached dwelling*, may be obstructed by another parking space.

By-laws 95-2003; 2020-047

- (d) All garages in a R, D or C5 Zone shall have the following minimum interior dimensions:
- (i) a depth of 5.5 metres measured from the vehicular door to the rear of the garage; and
 - (ii) a width of 2.7 metres.

By-laws 103-96; 2020-047

- (e) In a C5 zone, the minimum width of that portion of a *lane*, *aisle* or driveway, or some combination thereof, that is located immediately adjacent to a non-parallel parking space that is required for a commercial use or *mixed-use building*, is 5.5 metres.

By-law 34-98

3) Parking Area Surface

In a Commercial or Industrial Zone no land shall be used as a *parking area*, a driveway connecting the *parking area* with a *street* or an off-street *loading space* unless it is paved with hot-mix asphalt or Portland cement concrete or installed with permeable pavers and graded or drained to ensure that surface water will not escape to adjacent lands.

By-law 005-2015

4) Ingress and Egress

- (a) Ingress and egress, to and from the required parking spaces and areas shall be provided by means of unobstructed ramps at least 3.6 metres but not more than 9 metres in perpendicular width.
- (b) The maximum width of any joint ingress and egress ramp measured at the throat of the driveway shall be 9 metres.
- By-law 44-2006
- (c) The minimum distance between any ramp and an intersection of *street lines* measured along the *street line* intersected by such ramp shall be 7.5 metres.
- (d) The minimum angle of intersection between a ramp and a *street line* shall be 60 degrees.
- (e) Every *lot* shall be limited to the following number of ramps.
- (i) for the first 30 metres of frontage - not more than 2 ramps separated by a minimum of 9 metres.
- (ii) for each additional 30 metres of frontage - not more than 1 additional ramp, separated from any other ramp to the same property by a minimum of 9 metres.
- (f) Notwithstanding subsections (a) to (e) above, new driveway accesses to and from either side of Broadway will be prohibited on properties between Wellington Street and John Street on the south, and Third Street and Faulkner Street on the north.

By-law 16-2006

5) Addition to Building or Other Structure

When a *building* or other *structure* has insufficient *parking area* at the date of the passing of this By-law, no addition shall be erected and no alteration made to any such *building* or other *structure* or the use thereof which has the effect of increasing such deficiency.

6) Use of Parking Spaces and Areas

- (a) In an ER, R, RM1, RM2, C5 and D Zone, no person shall park or store a *vehicle* on a lot, other than:
- an automobile;
 - a truck or bus having a maximum length of 7 metres and a maximum height of 3.5 metres;
 - a motorcycle;
 - a motorized snow *vehicle*;
 - recreational *vehicle*;
 - a boat with accessory trailer; or
 - a utility trailer.

By-laws 32-2011; 2020-047

- (b) Notwithstanding the provisions of subsection (a) a *truck tractor* may be permitted to park in an ER, R, RM1, RM2, C5 and D Zone during a single period of up to 48 hours in any two week period.

By-laws 112-96; 10-2002

7) Parking Area Location on a Lot

- (a) Notwithstanding the *yard* and setback provisions of this By-law, uncovered surface *parking areas* in other than residential zones, shall be permitted in the required *yard* provided no part of any *parking area* other than the driveway shall be located within 3 metres of any *street line* or residential zone, which area shall be landscaped.

By-law 16-2006

- (b) In an R, D or C5 Zone, no parking shall be permitted in the *front yard* of a *lot* except on one driveway having a maximum width as follows:

<u>Lot Frontage</u>	<u>Maximum Driveway Width</u>
Less than 6.7 metres	3.8 metres or 60 percent of the lot frontage, whichever is less.
6.8 metres to 8.9 metres	4.0 metres
9.0 metres to 12.0 metres	5.2 metres
12.1 metres to 15.0 metres	6.0 metres
Greater than 15.0 metres	8.5 metres or 50 percent of the lot frontage, whichever is less.

By-law 103-96

- (c) Notwithstanding the provisions of subsection (b), circular driveways having two entrances to the public road allowance may be permitted on *lots* with a minimum 20 metres of *lot frontage*. The maximum width of the principal driveway shall be in accordance with the table in subsection (b). The maximum width of the connecting arm between the principal driveway and the *street line* shall be 4 metres.
- (d) In an R1, R2, R3, R4, R5 and R6 zone, no *vehicles* may be parked in the *side yard* or the *rear yard* except in a garage, carport, or on one driveway with a maximum width of six metres. Notwithstanding the foregoing,
 - i) within six metres of the face of a garage or carport, the maximum driveway width may be increased as required to match the width of the garage opening(s) or *carport* opening(s), and

- ii) a single recreational *vehicle* may be parked elsewhere in the *rear yard* or *side yard*.
- (e) Accessible parking spaces shall be provided for every development. Each space shall be provided with unobstructed access to a *street* by a driveway, *aisle* or *lane*. Accessible spaces shall be provided a maximum distance of 30 metres from the main entrance(s) of the *building*.

The minimum dimensions for an accessible parking space shall be in accordance with the dimensions as follows:

Type A: 3.5 metres by 5.5 metres

Type B: 2.7 metres by 5.5 metres

The number of accessible parking spaces are based on the total required parking as follows, with the calculated number of accessible spaces always rounded up to the nearest whole number:

- 1 – 12 parking spaces: One Type A parking space is required.
- 13 – 100 parking spaces: Four percent of the total number of spaces are required.
- 101 – 200 parking spaces: One parking space plus an additional three percent of the required parking spaces.
- 201 – 1,000 parking spaces: Two parking spaces plus an additional two percent of the required parking spaces.
- Greater than 1,000 parking spaces: Eleven parking spaces plus an additional one percent of the required parking spaces.

Where the minimum number of accessible parking spaces required is even, an equal number of Type A and Type B accessible parking spaces shall be required.

Where the minimum number of accessible parking spaces required is odd, the additional accessible parking space remaining shall be a Type B accessible parking space.

In addition to the above parking space widths, an access aisle width of 1.5 metres is required adjacent to each space. Where the required 1.5 metre access aisle is provided between two accessible parking spaces, the aisle width can be shared.

- (f) For *multiple dwellings*, *retirement homes*, *long-term care facilities*, and *townhouses*, other than street *townhouses*, an additional 0.25 parking spaces per *dwelling unit* is required for visitor parking spaces.

By-laws 103-96; 30-2002; 16-2006; 44-2006; 32-2011; 2020-047

5.18 **Pits and Quarries**

The making or establishment of pits and quarries is prohibited except for a *wayside pit or quarry* as defined herein.

5.19 **Public Services**

Notwithstanding anything else in this By-law, the Town (or any local board thereof as defined in The Department of Municipal Affairs Act), the County, CNCP Telecommunications, a transportation system owned or operated by or for the Town, any public telephone and/or utility company operating within the Town, any agency of the Federal or Provincial Government or of the Town and the County or an authorized contractor thereof, may, for the purpose of the public service, use any land or erect or use any *building* in any zone other than the Open Space Conservation (OS2) Zone, subject to the use or *building* being in compliance with the regulations prescribed for such zone or use and subject to there being no outdoor storage of goods, materials or equipment in any *yard* abutting a Residential Zone. Any *buildings* erected or used in a Residential Zone under the provisions of this Section shall be designed so as not to intrude into the residential character of the area.

Nothing in this By-law shall prevent

- (a) the use of any land as a public park, playground, *street*, walkway, site for a statue, monument, cenotaph, fountain, or other memorial or ornamental *structure*, or
- (b) the installation of a watermain, sanitary sewer main, storm sewer main, gas main, pipeline or overhead or underground hydro and telephone line if the location has been approved by the *corporation*.

By-laws 59-98; 44-2006

5.20 **Special Uses Permitted**

Notwithstanding any other provisions contained in this By-law, the following uses are permitted in all zones.

- 1) Temporary camps used in the construction of public works within the Corporation until such work is completed or otherwise terminated, and
- 2) A tool shed, scaffold or other *building* or *structure* in conjunction with the erection of a *building* within the Corporation until such work is completed or otherwise terminated.
- 3) *Construction trailers*.
- 4) A *wayside pit or quarry*.
- 5) A *portable asphalt plant* and a *portable concrete plant* used for the purposes of a public service for a particular roads project or contract or road construction for the Municipality, County or Province.
- 6) A *business office* for selling and managing the construction of new homes, subject to the *office* being located in the same subdivision or project area as the new homes being offered for sale.

- 7) Up to four model homes may be located on lands which are subject of a draft approved plan of subdivision in any Residential Zone provided that:
 - (a) the model home is located in accordance with the zone provisions of the zone in which it is located; and,
 - (b) an Agreement has been executed with the Town addressing the model homes. The agreement may permit up to four (4) model homes.

By-laws 95-2003; 32-2011; 005-2015

5.21 **Use for Hazardous Purpose**

No land, *building* or other *structure* shall be used for a Commercial or *Industrial use* that is likely to create a public nuisance or danger to health or danger from fire or explosion except in accordance with the provisions or regulations under the Gasoline Handling Act.

5.22 **Yard Encroachments**

1) **Ornamental Structure**

Notwithstanding the provisions of this By-law, *porches*, bay windows, sills, chimneys, stairs, landings or other ornamental *structures* may encroach up to 0.6 metres into any *yard* requirement provided a setback of at least 0.6 metres is maintained.

Notwithstanding the provisions of this By-law, *porches*, stairs, and landings may encroach up to 2.5 metres into the *front* and *exterior side yard* requirement provided a setback of at least 1.2 metres is maintained.

By-laws 10-2002; 2020-047

- 2) Notwithstanding the provisions of this By-law, eaves, cornices and parapets may encroach up to 0.6 metres into any yard requirement provided that a minimum setback of 0.1 metres is maintained.

3) **Fire Escape**

Notwithstanding the provisions of this By-law, an unenclosed fire escape and the structural members necessary for its support may encroach on any *yard* requirement to a maximum distance of 1.2 metres.

By-law 44-2006

5.23 **Regional Storm**

Where a zone symbol is followed by the suffix "(F)" this denotes lands which are subject to flooding during Regional storm conditions. As such, any development of such lands requires the prior written approval of the Credit Valley Conservation Authority pursuant to Ontario Regulation 162-80, as amended (the fill, construction and alteration to Waterways Regulation).

5.24 **Holding Zone**

Where the zone symbol designating certain lands is followed by the letter "H" the lands have been placed in a "Holding" zone.

The Holding symbol "H" shall be removed at such time in the future when plans to fully service and develop the lands have been submitted and approved by the Town or such other conditions as deemed appropriate by the Town have been met. When the Holding symbol has been removed the land shall be developed according to the requirements of the zone used in conjunction with the Holding symbol.

5.25 **Residential Garage Protrusions**

- 1) Section 5.25 applies only:
 - (a) where specifically invoked by way of a provision in Section 24 hereof;
 - (b) to a lot with a lot frontage of less than 15 metres; and,
 - (c) to a garage that protrudes from a *single detached, semi-detached or row house dwelling* towards the front lot line.
- 2) The garage face may protrude a maximum distance of 2.5 metres beyond one or more of the following:
 - (a) the main front wall of the dwelling,
 - (b) a habitable second floor located above the garage, or
 - (a) a fully-roofed front porch or verandah.

By-law 42-2000

5.26 **Special Front Yard Porch Encroachments**

- 1) Section 5.26 applies only:
 - (a) where specifically invoked by way of a provision in Section 24 hereof; and
 - (b) to a lot with a lot frontage of less than 15 metres.
- 2) Notwithstanding Section 5.22 hereof, a fully-roofed porch or verandah, and accompanying steps, located in the front yard of a *single detached, semi-detached or row house dwelling*, may encroach on the minimum front yard requirement to a maximum distance of 2.5 metres.

By-law 42-2000

1) The following definitions shall apply only to the lands that are subject to Section 24.128:

"**BEER STORE**" means a retail establishment primarily devoted to the sale of beer, but shall not include an establishment where beer or wine-making supplies are sold, beer is brewed, or related services are provided.

"**FLOOR AREA, GROSS**" means the total area of all of the floors in a *building* above or below *grade*, measured from the outside of the exterior walls but excluding car *parking areas*, loading areas and storage areas within the *building*.

"**FOOD AND GENERAL MERCHANDISE STORE**" means a *retail store* engaged in merchandising of a wide range of commodities which may include but is not limited to food, apparel, hardware and household goods, garden supplies, leisure, pet and drug items, and toys and, for the sake of clarity, includes a department store and a *supermarket*.

"**GOVERNMENT OFFICE**" means any *office* in which local or other government administration is carried out, other than a branch office of the Ministry of Transportation.

"**SHOPPING CENTRE**" means a group of commercial establishments designed, developed and managed as a unit.

“**SPECIALTY FOOD STORE**” means a store specializing in a specific type or class of food items such as a bakery, butcher, delicatessen, fish or seafood store or gourmet food outlet, but shall not include a candy shop, an ice cream shop or a frozen food store.

“**SUPERMARKET**” means a *retail store* in which various kinds of food and non-food items are offered or kept for sale, including fresh meats and fresh produce, provided that the area devoted to food items is predominant, and the non-food items may include but are not limited to flowers, hardware, patent medicines, toiletries, household supplies, garden supplies, wine, photofinishing, magazine and videos.

- 2) Permitted uses comprise a *shopping centre* within which may be located a *gas bar*, a *food and general merchandise store*, and all of the uses permitted by Section 14.1 hereof except for a *financial establishment*, a *beer store*, a *government office*, a *liquor store* and a *specialty food store*.
- 3) The maximum *gross floor area* devoted to a *food and merchandise store* is 17,200 square metres.
- 4) Within the *food and general merchandise store*, the *gross ground floor area* devoted to the sale of food shall occupy a minimum of 40% and a maximum of 60% of the *gross ground floor area* of the *food and general merchandise store*.
- 5) The maximum aggregate *gross floor area* devoted to the permitted uses, other than a *food and general merchandise store*, is 2,700 square metres.
- 6) The minimum *ground floor area* of a *retail store* or *personal service shop* is 465 square metres, except for up to two units for which the minimum *ground floor area* is 232 square metres.
- 7) The following uses are exempt from the minimum *ground floor area* requirements as set out in clause (6) above:
 - (a) a single electronics sales and service establishment;
 - (b) a single *retail store* selling new and used goods;
 - (c) a single hair care establishment; and,
 - (d) a single pet supply sales establishment.
- 8) Notwithstanding any other provision of this by-law to the contrary, for zoning purposes, the *front lot line* shall be deemed to be that abutting Fourth Avenue, the *rear lot line* shall be deemed to be that abutting Rotary Park and the *lot* that is zoned Multiple Residential Medium Density (RM1), and the *exterior side yard* shall be deemed to be that abutting Third Street.
- 9) The following minimum *yards* shall be provided:
 - (a) *Exterior Side Yard* (minimum): 9.5 metres

- (b) *Interior Side Yard* (minimum): 5.0 metres
 - (c) *Rear Yard* (minimum): 11.0 metres
- 10) A strip with a minimum width of three metres located along the south side of Fourth Avenue and the east side of Third Street shall be landscaped, except for entrance driveways.
- 11) A strip with a minimum width of eleven metres, located along the south *lot line* that is also the north *lot line* of the abutting *lot* that is zoned Multiple Residential Medium Density (RM1), shall be landscaped.
- 12) The Holding Symbol (H) that is applicable to the lands that are subject to Section 24.128 shall be removed when Council is satisfied that the following requirements have been met:
- (a) The Town allocates water supply and sewage treatment capacity;
 - (b) A site plan has been submitted and has been found by the Town to be satisfactory;
 - (c) The improvements to Third Street and Fourth Avenue, as contemplated by the finalized environmental assessment, will be in place prior to occupancy of the *food and general merchandise store*;
 - (d) Satisfactory arrangements have been made for the signalization of the intersection of the middle driveway and Fourth Avenue;
 - (e) A Record of Site condition, in relation to the lands on Third Street, has been acknowledged by the Ministry of the Environment; and,
 - (f) The site plan incorporates noise attenuation measures to meet Ministry of the Environment guidelines, as recommended in a study prepared by a qualified acoustical consultant to the satisfaction of the Town.
- 13) An exterior garbage enclosure shall be permitted in the *yard* abutting Third Street provided that it is sufficiently screened from the *street* by landscaping and berming, and/or fencing.
- 14) A *drive-through facility* is permitted on the side of a *building* that faces the *lot* zoned RM1 south of the lands, provided that:
- (a) it is setback a minimum of 30 metres from the *rear lot line*;
 - (b) no outdoor speakers or order boxes form part of the facility; and,
 - (c) it is sufficiently visually screened from the *lot* that is zoned Multiple Residential Medium Density (RM1) and the *street* by fencing and/or landscaping.

This By-law shall be administered by a By-law Enforcement Officer.

25.2 **Licences and Permits**

No person is entitled to a permit, certificate or licence for a proposed use of land or a proposed alteration, erection, enlargement or use of any *building* that is in violation of any provisions of this By-law.

25.3 **Penalty**

Every person who contravenes any provisions of this By-law is guilty of an offense and shall, upon conviction be liable to a fine of not more than \$20,000.00 exclusive of costs, and/or a subsequent conviction to a fine of not more than \$10,000.00 for each day or part thereof upon which the contravention has continued after the day on which he was first convicted.

Where a corporation is convicted, the maximum penalty that may be imposed is, on a first conviction, a fine of not more than \$50,000; and on a subsequent conviction, a fine of not more than \$25,000 for each day or part thereof upon which the contravention has continued after the day on which the corporation was first convicted.

25.4 **Recovery of Penalties**

Penalties imposed by conviction under this Section shall be recoverable under The Provincial Offences Act, R.S.O. 1980, as amended.

25.5 **Conflict**

In the event of conflict between this By-law and any other by-law, this By-law shall prevail.

25.6 **Severability**

Should any sections of this By-law or any part or parts of such section or sections be found by law to be illegal or beyond the power of the *Corporation* to enact, such section or sections or part or parts of such section or sections shall be deemed to be severable so that all other sections or parts of sections of this By-law are separate and therefore enacted as such.

25.7 **Repeal**

By-law No. 60-77 as amended and By-law No. 9-66 as amended of the Corporation of the Town of Orangeville are hereby repealed. By-law No. 22-75 of the Township of East Garafraxa is hereby repealed.

25.8 **Effective Date**

This By-law shall take effect from the date of its passage by Council and shall come into force upon approval by the Ontario Municipal Board.
