

Casual Pickleball Court Use Guidelines

Casual play operates on a first-come, first-served basis with the following rules:

- 2-4 players should wait facing a court to claim it
- 30 minute maximum if players are waiting
- Players should avoid interference with play on adjoining courts
- Players must bring their own net, paddles and balls
- Casual play is not available during permitted times. Visit orangeville.ca/pickleball for details on permitted times

The sports pad at Orangeville Lions Sports Park and the court at Idyllwilde Park are multi-use facilities, available for casual play of other sports as well.

Please note: courts are not lit for casual evening play.
