Overview of Grants

Victims Support Grant is a 2-year grant cycle 2021 to 2023 and the Orangeville Police Services Board was awarded \$45,387.00 over the 2-year period

Grant Focus:

Dufferin OPP applied for funding through the Victim Support Grant to implement a Mobile Technology Initiative to increase capacity for police to better respond to the unique needs of victims & survivors of Intimate Partner Violence & Human Trafficking. The mobile option allows the victim some choices in where they speak to police be it at their home or another neutral location vs. a traditional police station. It can also facilitate timely access to safety and support services through enhanced coordination between police and local victim serving community agencies such as FTP, DST and CDVS.

Community Safety and Policing Grant (Local Priorities) is a 3-year grant cycle (2019 to 2022), and the Orangeville Police Service Board was awarded \$360,000.

Payment Schedule:

Paid in installments of - \$120,000 per year

Final installment will be paid upon receipt of final report submitted Apr. 29, 2022

Grant Focus:

"The overall goal of this initiative was; improved care and positive outcomes for persons living with mental illness as result of proactive response while reducing the demand on our local hospital emergency services. In the 3 years of this we have seen tremendous progress in how we support persons in crisis through collaboration with community partners we went from meeting weekly at the Dufferin Situation Table to provide wrap around supports, to a daily review by the Integrated Crisis Team to finally a Mobile Crisis Response Team that can attend on scene when a person is in crisis. We have experienced success in this initiative in dramatically reducing the number of persons in crisis that are apprehended and taken to hospital. Prior to this initiative 70% of persons in crisis were apprehended and taken to hospital. We are pleased to report that in each year of this initiative we have seen a reduction, and in Year 3 we have experienced a reduction in involuntary apprehensions down to 38.4% far exceeding our initial target of 10%. The training that took place with frontline officers, increased officer awareness, the establishment of the Mobile Crisis Response Team (MCRT), enhanced collaboration with community partners, have all enabled officers to better connect persons with mental health illness to the appropriate community supports and lessening the required resources of frontline responders (Police, EMS, & Hospital Emergency Room Staff)

Community Safety and Policing Grant (Provincial Priorities) is a 2-year grant cycle (2020 to 2022), and the Orangeville Police Service Board was awarded **\$120,202.04** for Human Trafficking Initiatives.

Payment Schedule:

First year (2020-21)- \$62,380.84

Second year - \$57,821.20

Grant Focus:

The objective of this grant initiative was to prevent Human Trafficking in our community by protecting our most vulnerable residents and bringing any perpetrators to justice as well build partnerships to combat Human Trafficking in a multi-sectoral approach.

1st Year Initiatives

- All 68 Officers enrolled in an Introduction to Human Trafficking Course
- The OPP hosted a Human Trafficking Education Training Event. The training was able to accommodate thirty-one officers from the OPP Central West Region including Dufferin, Caledon, Nottawasaga. As well we had participation from the following community partners: Caledon\Dufferin Victim Services, Family Transition Place, Choices Youth Shelter, and the Town of Orangeville. The training took place on July 30, 2021 and was kicked off by Solicitor General Sylvia Jones doing the Key-note address.
- Purchase of an RDOK camera system (In-Vehicle Rapid Deployment Observation Kit)

2nd Year Initiatives

- 2 Detective Constables from the Orangeville Criminal Investigation Bureau (CIB) were enrolled in Canadian Police College (CPC) for Human Trafficking Investigators Course (we had budgeted for 3 but as result of the pandemic CPC only offered the course once in 2022 and only 2 officers could be enrolled thus leaving an outstanding balance of \$3,382.41
- 82 officers in total completed the Introduction to Human Trafficking Course

Community Safety and Policing Grant (Local Priorities) - Dufferin Mobile Crisis Support

- 3-year grant cycle (2022 to 2025) and the Orangeville Police Service Board was awarded \$449,232 over 3 years

Grant Focus:

- Funding will expand the continuum of care for mental health and addiction clients to include a mobile co-response team which partners a police officer and a skilled crisis worker to respond to all mental health calls in the community. This partnership will provide an opportunity to operationalize a model for crisis response where the knowledge, skills and abilities of both police and clinical staff address a number of crisis response system/service issues, as well as to reduce the policing and hospital costs associated with mental health and addictions.
- This grant aligns effectively with the (Dufferin County Community Safety and Well-Being Plan 2021-2024, May 13, 2021) "Dufferin County is a diverse community that is "one of North America's fastest growing regions" and has identified "mental health and well-being" as a priority area of focus"

Subject: Ride Checks in Orangeville: Thank you OPP & OPSB!

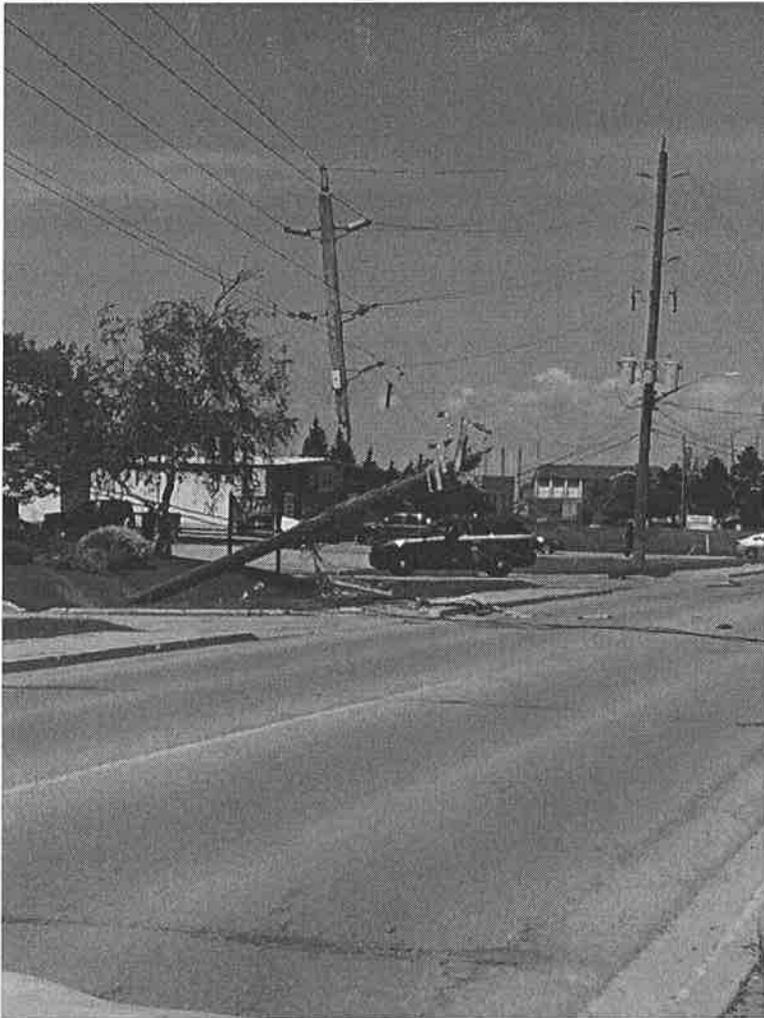

Hello Todd,

I was pleased to drive through a ride check this afternoon around 1pm in Orangeville.

I know these programs requires funding and labour to run. Since you are the Chair of the OPSB, I want to thank you, and everyone involved, in resourcing the additional ride checks in Town.

The Ride Checks not only protect the roads, children, and pedestrians...but our Hydro Poles too! On June 14 2019, a drunk driver destroyed a pole on Centennial Road which caused a very large power outage.

I'm confident that these ride checks significantly reduce the risk of similar incidents.

All the best,

Rob Koekkoek, P.Eng.

6. Towing – OPP internal plans for arrival at the scene (Chair Taylor and Inspector Ward to lead discussion and report)

At the April 23, 2021 Joint Meeting, attending Police Services Boards representatives discussed licensing and regulation of tow trucks within Dufferin County. Inspector Ward will advise the Joint Meeting on the internal strategies for the OPP when tow trucks are utilized at collisions.

Regional OPP Superintendent Mike Stoddart provided a high-level overview of his job responsibilities and oversights. He noted that he has considerable experience with the towing industry from his previous role with the OPP. He introduced OPP Officer and Community Liaison, Jennifer Roach of the Shelburne OPP attended the meeting to speak about towing in the county. She noted that there has been an escalation of criminal activity within the towing industry.

Since June of 2020 the OPP have participated in a multi-agency task force to ensure safe and ethical towing and storage services. This will also ensure there is an equitable distribution of requests for towing services. Officer Roach outlined the program requirements for towing operators within the county related to the towing drivers as well as insurances held by the organization. These requirements include a criminal background check and the OPP on scene will check each towing operator on scene for any outstanding criminal matters. The application package for towing operators are due to the Orangeville Police detachment on November 1, 2021 for the 2022 calendar year.

The OPP will conduct safety inspections of the vehicles used for the tows. All vehicles must be released with the approval of the OPP.

Chair Taylor inquired as to how the impound locations will be used around the county.

Inspector Ward noted that it will take some time for all participants to adjust to the new system and that it will be much safer for all involved.

The OPP is transitioning to a new encrypted radio system that will prevent scanning of their radio frequencies; this will prevent "chasing" by tow truck drivers.

Chair Taylor will inquire about the status of the Towing Bylaw forthcoming from the Town of Orangeville Clerk's department.

Recommendation:

Motion that the report be received.

Moved by I. McSweeney

Seconded by M. Walker

January 7, 2022

The Honourable Doug Downey, Attorney General
Ministry of the Attorney General
11th Floor, 720 Bay St.
Toronto, ON M7A 2S9

Dear Minister,

We, the Mayors of the Town of Caledon and the Town of Mono, respectfully submit this joint letter to provide you with our municipal perspectives, outline our unique challenges and frustrations, and also to propose solutions that would mitigate the serious issues facing our provincial offence courts in Dufferin and Caledon.

Municipal resources are being exhausted and pushed beyond capacity and the implications are profound. The information we share below clearly indicates that the Caledon/Dufferin POA Courts are in a crisis. We are not alone in the Province nor are the problems described here solely attributable to COVID 19.

The critical challenges are:

Last minute cancellations due to a lack of judicial resources

This is resulting in a negative and compounding administrative impact to case management. As example, between September 10th and December 15th there were 3,038 docket lines cancelled and rescheduled. This one example equates to 26 closed court days.

A related frustration is that early resolution dockets are often cancelled, with the next available return date being in June pushing some matter 12 months before they are able to have an early resolution. Matters requesting trials are being scheduled up to 24+ months out.

Another troubling result of this issue is the capital and operating costs to run a court are essentially wasted when we are forced to reschedule due to lack of, or cancellation of, judicial resources. We have provided the courtroom and technology, the court clerks and prosecutors, and notified all the defendants, only to repeatedly cancel.

Reduction of Judicial availability for administrative functions such as swearing of informations, issuing of summons and review of applications

This is creating an enormous backlog and, in some cases, has resulted in the swearing of informations occurring *after* an appearance date causing inconvenience to defendants and the need to re-issue summonses with attendant multiple, unproductive court attendances.

Outlined below are some possible solutions that from our perspective would mitigate these issues.

- Assign Justices of the Peace to POA courts either in person or virtually. This should entail total mobility for all justices of the peace regardless of region.
- There are currently over 80 per diem justices of the peace and they should be utilized to the fullest. Exemption from their presiding 'cap', something allowed for, should be considered to address backlog. Per diem justices of the peace willing to accept POA assignments would go a long way to addressing backlog.
- Allow e-Hub access for POA court matters immediately, for the swearing of informations and issuing of summons to start addressing the timeliness of judicial administrative functions and paperwork.
- Launch early resolution, trial and paperwork blitzes to address backlog. Make judicial dependant paperwork a mandatory part of court assignments.
- Use your legislative authority as Attorney General to fast track section 11 of the POA to proclaim the re-opening amendments and, amend the early resolution process in section 5 of the PA to permit the clerk of the court to enter convictions.
- Together with the Ontario Court of Justice, commit to convening a 'Justice Summit' on POA where all stakeholders can address the considerable issues facing our courts.

Minister, it is not inconceivable that hundreds if not thousands of serious charges are at risk of being withdrawn either by prosecutors or as the result of a court ruling on 11b of the Charter as it applies to old POA cases.

We are very willing to be part of the solution and welcome a further conversation with you or your staff on how we can work together. We look forward to your response.

Sincerely,

Mayor John Creelman

Mayor Allan Thompson
