Message from the Detachment Commander

I am pleased to present the Dufferin 2022 Action Plan Progress Report. As we look back over the past year, we recognize the many policing successes we have had including:

- The implementation of the Mental Health Crisis Response Team (MCRT) to better support and assist to those suffering from mental health in our community.
- Increased engagement and enhanced partnerships with community partners to better support victims of crime.

We continue to focus on the reduction of harm and victimization, specifically violent crime, property crime, illicit drugs, and cybercrime.

Dufferin Detachment remains committed to a traffic safety approach that will change driver behaviours responsible for injuries and deaths on roadways, waterways, and trails. We will continue to partner, engage, and educate to find solutions in demands for service involving persons with mental health illness or in a mental crisis.

As we look forward, we will continue to ensure our communities have the service delivery they require. The goals for next year for our detachment will be:

- Enhancement of the detachment offender management program with a focus on violent and habitual offenders and ensuring alignment with provincial strategies.
- A review of internal processes with the goal of promoting officer visibility and availability in the community by reducing administrative duties and tasks.
- A focus on intimate partner violence (IPV) investigations to ensure the immediate and longer-term needs of IPV victims are met while indicating to offenders that society does not tolerate violence.
- Continuing to promote traffic safety on our roads and trails by participating in local and provincial traffic safety initiatives as well as conducting proactive day to day enforcement and community engagement.

The dedication of our members, together with the support of our municipalities, will ensure our continued success in keeping our communities safe.

Inspector Terry Ward
Detachment Commander
Dufferin Detachment

2022 Roadways, Waterways and Trails Progress Results

Increased safety in the community is achieved when motor vehicle collisions are reduced. Past analysis and targeted enforcement has resulted in a reduction in the number of motor vehicle collisions in the past and is expected to have the same result going forward.

A commitment by logistical company owners and operators to the proper maintenance of vehicles, and a reduction in commercial motor vehicle related incidents as a result of consistent activities by the Dufferin OPP and Central Region Traffic Management Team.

Increasing the apprehension and prosecution of violators who engage in “The Big 4” activities, and reducing the number of “Big 4” behaviours, leading to safer communities.

Partnerships will lead to collaboration and cooperation to resolve situations that may result in unsafe driving behaviours such as speeding, disobeying signs and aggressive driving.

Commitment	Progress Status	Progress Update
<p>To sustain a continuous and year-round focus on the causal factors of motorized vehicle collisions</p>	<p>Success Demonstrated</p>	<p>Conducted directed blitzes in our communities to address local concerns with traffic safety, including cell phone, commercial motor vehicle safety and excessive noise enforcement. Led the province in total charges in several safety campaigns and conducted 225 festive Reduce Impaired Driving Everywhere (RIDE) events, checking over 8,500 vehicles for impaired drivers.</p> <p>Four ‘Black Cat’ speed monitoring devices have been deployed in several areas around Dufferin County. These devices have provided data that has assisted with directed traffic patrol and enforcement.</p> <p>Introduced two snowmobiles and two all terrain vehicles (ATVs) to the Dufferin OPP fleet, significantly expanding our ability to patrol the County’s trails. Five members have conducted 10 hours of snowmobiles patrol and six members have conducted 87 hours of ATV patrol.</p> <p>Regional Operations Analysts (ROAs) provided traffic complaint heat maps and data to Dufferin Detachment. This data is analyzed and shared locally to plan future initiatives.</p>

Additional platoon members have been trained, increasing our capacity to respond to mental health related calls for service.</p> <p>Ongoing OPP representation and participation in local community agency working groups and committees including the Sexual Assault Advisory Committee (SAAC), High Risk Review Team (HRRT), and the Family Transition Place (FTP).</p>
<p>To develop Transfer of Care protocols with relevant healthcare facilities.</p>	<p>Success Demonstrated</p>	<p>A process for the transfer of care of victims of sexual assault has been developed with the program lead of the Sunrise Centre for Sexual Assault and Domestic Violence Treatment at Headwaters Healthcare Centre. This ensures that victims are attended to by a nurse in the quickest time possible 24 hours a day.</p> <p>Discussions will continue in 2023 to establish further collaboration regarding formalizing a standard transfer of care agreement with local health care centres for other patients.</p>
<p>To streamline collision reporting.</p>	<p>Success Demonstrated</p>	<p>Currently, there is no Collision Reporting Centre available in Dufferin County OPP locations.</p> <p>Social media has played a critical role with advising the public of safety measures to take after a motor vehicle collision as well as the collision reporting process.</p>

The change in methodology from ICON only to ICON and RMS was used to offset certain missing charge data points for the 2022 year. The ICON data is only available at the provincial level and is unable to be reduced to regional or detachment level accurately which is where RMS data is used. The new mixed methodology combines data from both ICON and RMS databases for a more accurate reflection of charge numbers.

REPORT ONLINE

You now have the option to report select occurrences to police from the convenience of a computer.

Visit www.opp.ca/reporting to use the Citizen Self Reporting system. Specific incidents can be reported online at your convenience without attending a detachment or waiting for an officer.

You can use this system to report:

- Driving Complaints
- Lost/missing property
- Mischief/damage to property
- Mischief/damage to vehicle
- Stolen licence plate(s) and/or validation sticker
- Theft From vehicle
- Theft

Do not use this system if this is an emergency! If it is, call 9-1-1.

9-1-1 is for police, fire, or medical emergencies only.

Every time an accidental or hang-up 9-1-1 call is received, OPP officers are dispatched.

You may be taking police officers away from a real emergency.

#KnowWhenToCall

If you've dialed in error, stay on the line and speak with the communicator. This will eliminate the need for the emergency operator to call back. As per OPP policy, officers will still be dispatched to ensure you are safe.
