Whereas, Children's Grief Awareness Day raises awareness of the impact of loss on children and their need for support, and to help others understand how best to show their support for and solidarity with grieving children; and

Whereas, For many grieving children, the most helpful bereavement support to receive is a listening ear, acknowledgement of their feelings, and the support of caring individuals like family, friends or others also grieving a loss; and

Whereas, Children's Grief Awareness Day is an opportunity to support the grieving process of children and to let grieving children know they are not forgotten; and

Now Therefore, I, Mayor Sandy Brown, on behalf of Council, do hereby proclaim November 17, 2022 as "**Children's Grief Awareness Day**" in the Town of Orangeville.
