Fire Hydrant Flushing and Maintenance Programs

To Users of the Following Water Systems:

- Orangeville Water System
- Cardinal Woods Water System (Mono)
- Coles/Island Lake/Purple Hill Water System (Mono)

Please be aware that from April 1 to October 31, 2021 between 8 a.m. and 4 p.m. Monday through Friday each week, Orangeville Water Works staff will be completing fire hydrant flushing and maintenance programs in the water systems noted above. The programs are completed on a regular basis to ensure fire hydrants remain in good working order and that any accumulated sediments in the water mains are removed.

Due to possible sedimentation, the flushing may cause discoloration of the water, so please check your cold-water supply before use. If discoloration does occur, run the cold water until it clears.

Users of the Orangeville and Mono water systems are also reminded that Water Works Staff will continue regular flushing of fire hydrants in selected areas on subsequent Wednesdays as part of an ongoing maintenance program. Again, the water should be checked for discoloration before use on those days.

Your co-operation and understanding are appreciated during the fire hydrant flushing and maintenance programs.

UPDATED Notice of Public Meeting – Zoning By-law Amendment Application (File No. RZ-2021-01)

Take Notice that the Corporation of the Town of Orangeville is in receipt of a complete application to amend the Town's Zoning By-law No. 22-90, as amended, pursuant to Section 34 of the Planning Act, R.S.O. 1990 and will hold a Public Meeting on:

Monday, June 7, 2021 (no earlier than 7 p.m.)
Council Chambers, Town Hall, 87 Broadway, Orangeville, Ontario

Description of the Subject Land:

The subject property is located at 41 William Street, situated at the southeast corner of William Street and Hannah Street. The subject property has a total lot area of approximately 1,211 square-metres (13,035 square-feet), with approximately 30.0 metres (98.4 feet) and 34.4 metres (111.5 feet) of frontage along William Street and Hannah Street, respectively. The subject property contains an existing 1 and 1/2-storey detached dwelling. A location map of the subject lands is attached.

UPDATED Purpose and Effect of the Application:

The purpose and effect of this application is to retain the existing single-detached dwelling on the property and facilitate the development of:

1. a new single-detached dwelling located at the corner of William Street and Hannah Street; and
2. a new semi-detached dwelling facing Hannah Street (to the rear of the existing single-detached dwelling)

The Zoning By-law Amendment proposes to rezone the subject lands from Residential Second Density (R2) to Residential Third Density (R3) with Special Provisions and a Holding (H) symbol (if applicable) to permit the proposed development.

Public Meeting:

Due to efforts to contain the spread of COVID-19 and to protect all individuals, the Council Chambers at Town Hall will not be open to the public to attend Council meetings until further notice.
